

TYAC

Spring Education Day

incorporating TYAC AGM

Demystifying Brain Tumours in Young People

Are you a professional involved in the care of teenagers and young adults with cancer?

You are invited to attend a study day about brain tumours in teenagers and young adults.

Friday, 20th April 2012

Hilton Hotel, Milton Street, Nottingham

Call for abstracts

TYAC invites professionals working in the field of teenagers and young adults with cancer to submit abstracts for oral or poster presentation on any aspect of TYA cancer care.

Abstract deadline: 1st March 2012

Annual Lisa Thaxter Trust Prize of £150 to be awarded to the best oral presentation.

Visit www.tyac.org.uk for further information and a submission form.

Programme to include:

- How good is your knowledge of how your brain works? Participate in a fun interactive quiz on the 'normal' brain.
- Why are young people experiencing delay in their diagnosis?
- What is being done nationally to address these delays?
- Classification of brain tumours—benign and malignant stages 1, 2, 3, 4? Does this make a difference in outcome?
- An overview of the current treatment options and what does the future hold?
- Life after treatment for a brain tumour—what are the difficulties?

Cost:

TYAC Members	£45
Non-members	£55
Refreshments and buffet lunch included	

Register by:
6th April 2012
