

Date for your Diary!

19th September 2008
Central Hall, Storey's Gate, London

UKONS Annual Conference 2008
'Inspiring Cancer Nursing'

Keynote speaker – Professor Mike Richards
National Cancer Director, England

Announcing a great opportunity for cancer nurses from across the UK to discuss, debate and challenge current issues in caring for patients with cancer.

The meeting will include plenary sessions and presentations focusing on three core nursing topics:

- Advancing cancer nursing practice
- Chemotherapy for the 21st century
- Defining supportive care in cancer nursing

Delegates will be able to move freely between these sessions.

The event will also feature a pharmaceutical exhibition, three specialist satellite sessions and the UKONS AGM.

Please join us, and help to shape the future of cancer nursing in the UK.
