

cancer ● campaigning ● group

The Cancer Campaigning Group is a unique coalition of 28 national cancer charities

BEATING BOWEL CANCER www.beatingbowelcancer.org

Beating Bowel Cancer is a leading UK charity for bowel cancer patients, working to raise awareness of symptoms, promote early diagnosis and encourage open access to treatment choice for those affected by bowel cancer.

BRITISH LUNG FOUNDATION www.lunguk.org

The BLF supports people affected by lung disease through the individual challenges they will face, and actively campaigns and works for positive change in lung health.

BRAIN TUMOUR UK www.braintumouruk.org

Brain Tumour UK (formerly UK Brain Tumour Society) works to conquer brain tumours through research, education and support.

BREAKTHROUGH BREAST CANCER www.breakthrough.org.uk

Breakthrough is the UK's leading charity committed to fighting breast cancer through research and education. Our essence comes from the thousands of people who are committed to a single vision - to work for a future free from the fear of breast cancer.

BREAST CANCER CAMPAIGN www.breastcancercampaign.org

The aim of Breast Cancer Campaign is fund research which looks at improving diagnosis and treatment of breast cancer, better understanding how it develops, and ultimately either curing the disease or preventing it.

BREAST CANCER CARE www.breastcancercare.org.uk

Breast Cancer Care is the UK's leading provider of information, practical assistance and emotional support for anyone affected by breast cancer. Every year we reach over 1,000,000 people with breast cancer or health concerns. All our services are free.

CANCERBACUP www.cancerbacup.org.uk

CancerBACUP's mission is to give cancer patients and their families the information, practical advice and support they need to reduce the fear and uncertainty of cancer.

CANCER BLACK CARE www.cancerblackcare.org

Cancer Black Care is the UK's leading cancer support service for the black and minority ethnic (BME) community.

CANCER RESEARCH UK www.cancerresearchuk.org

Cancer Research UK is the world's leading charity dedicated to research on the causes, treatment and prevention of cancer. Our vision is to conquer cancer through world-class research, aiming to control the disease within two generations.

BOWEL CANCER UK www.bowelcanceruk.org.uk

From autumn 2005, Bowel Cancer UK is the new name for the charity Colon Cancer Concern (CCC). Bowel Cancer UK is dedicated to raising awareness, improving the quality of those affected and ultimately, reducing deaths from bowel cancer.

CLIC SARGENT www.clicsargent.org.uk

CLIC and Sargent Cancer Care for Children merged in January 2005 to become the UK's leading children's cancer charity, providing care and support to children and their families.

INTERNATIONAL MYELOMA FOUNDATION UK www.myeloma.org.uk

The IMF (UK) informs and supports people affected by myeloma, and helps improve treatment and standards of care through research and education.

JO'S TRUST www.jostrust.co.uk

Jo's Trust primary activity is providing online cervical cancer information and counseling, with the aim of making a difference to the lives of women and their families affected by pre-cancer and cancer of the cervix.

KIDNEY CANCER UK www.kcuk.org

KCUK aims to provide UK kidney cancer patients and their carers with improved access to reliable information about kidney cancer and its treatment, and to establish a network of individuals and groups to offer mutual support.

**LEUKAEMIA RESEARCH FUND** www.lrf.org.uk

Leukaemia Research remains the only national research charity devoted exclusively to leukaemia, the lymphomas, myeloma, aplastic anaemia, myelodysplasia, the myeloproliferative disorders and related blood disorders in both children and adults.

LYMPHOEDEMA SUPPORT NETWORK www.lymphoedema.org/lsn

The Lymphoedema Support Network (LSN) takes the lead role in educating and supporting other patients with this condition by providing a high standard of information and promoting self-help

**LYMPHOMA ASSOCIATION** www.lymphoma.org.uk

The Lymphoma Association provides emotional support and information on a range of issues to anyone with lymphatic cancer and to their families, carers and friends.

MACMILLAN CANCER RELIEF www.macmillan.org.uk

Macmillan campaigns for better care and support for everyone affected by cancer across the UK by acting as a source of support and a driver for change - working in partnership with people affected by cancer.

**MAGGIE'S CENTRES** www.maggiescentres.org

The aim of Maggie's Centres is to help people with cancer to be as healthy in mind and body as possible and enable them to make their own contribution to their medical treatment and recovery.

MARIE CURIE CANCER CARE www.mariecurie.org.uk

Marie Curie Cancer Care provides free care to around 25,000 cancer patients each year. In the community, high-quality nursing gives terminally ill people the choice of dying at home, while at our 10 hospices we promote quality of life for patients support for their carers. Marie Curie's Research Institute investigates the causes of cancer.

**NATIONAL CANCER ALLIANCE** www.nationalcanceralliance.co.uk

A national charity working for and with people with cancer, their relatives, friends and carers, health-care professionals including doctors, nurses and professionals allied to medicine, and other individuals or organisations concerned about or interested in improving cancer services.

OVACOME www.ovacome.org.uk

Ovacome is a UK-wide support network providing information and support for everyone affected by ovarian cancer.

**ROY CASTLE LUNG CANCER FOUNDATION** www.roycastle.org

The Roy Castle Lung Cancer Foundation works towards defeating lung cancer through research, campaigning and education. It provides practical and emotional support for patients and all those affected by lung cancer and smoking.

SUE RYDER CARE www.suerydercare.org

Sue Ryder cares for people with life shortening illnesses through specialised neurological and hospice care services. Its services are geared to fill gaps that exist in the health service

**TEENAGE CANCER TRUST** www.teencancer.org

The charity focuses on the needs of teenagers and young adults with cancer, leukaemia, Hodgkin's and related diseases by providing specialist teenage units in NHS hospitals.

TENOVUS www.tenovus.org.uk

Tenovus is a charitable organisation committed to the control of cancer through quality research, prevention/education, counselling and patient care.

**THE PROSTATE CANCER CHARITY** www.prostate-cancer.org.uk

The Prostate Cancer Charity plays a key role in raising both public awareness of the disease and political debate about services and support.

WORLD CANCER RESEARCH FUND www.wcrf-uk.org

WCRF UK is dedicated to saving lives by funding cancer research and providing education programmes that expand our understanding of the importance of our food and lifestyle choices in the cancer process.
