

UKONS ANNUAL CONFERENCE 2021

CARING CONNECTIONS

11–13 NOVEMBER | A VIRTUAL CONFERENCE

Delegate FAQs

General Information

What is a virtual conference?

A virtual conference is hosted entirely over the Internet. It will allow attendees to access live and hear presentations from their computers/devices. Attendees participate through a conference webapp designed specifically for the virtual conference. The site is where you will watch conference presentations and participate with questions and comments in real time.

Is the virtual conference replacing the face-to-face conference?

Due to the ongoing COVID-19 pandemic, the UKONS Board made the decision to keep with a virtual format for the 2021 conference. UKONS are working hard to ensure that your experience of the conference is as stimulating and interesting as a face-to-face conference in a virtual way.

Registration

What are the registration fees for the virtual conference?

UKONS are offering a special discounted rate to its members of £99.00 to attend the 3 day virtual conference. To take advantage of this offer, you must register before Monday 13 September 2021.

Do the registration rates include or exclude VAT?

All registration rates quoted include VAT at 20%.

To register 10 or more people to attend the virtual conference, you will be required to complete and return a Group Booking Form for your delegates.

Please complete the booking form (which you can find on the conference page of the UKONS website) and send it to UKONS@media1productions.co.uk.

What if I register but can't attend?
